

Upton Community Care

I would like to introduce our registered charity to you if you do not already know of us. We exist to provide transport to medical based appointments for the elderly and infirm who have no other way of travelling. Though we are a volunteer group we have a professional ethos; all our drivers have DBS certificates, which are renewed every three years and permission from their insurers to use their cars for this purpose. UCC also has extra indemnity insurance to further protect our clients.

Our constitution limits us to people who are connected to the Upton surgery and I would like you to consider helping us out by volunteering to drive for us, even if you can only drive on odd days.

We provide a service run by our dedicated office staff to take telephone bookings and ensure that drivers and clients are kept fully informed. The office is above the Map Shop in Upton-upon-Severn and is generously provided by Mr Tony Atkinson. We thank him for this wonderful facility.

All of our bookings are taken by telephone, which is manned from 9-30 to 11-30 Monday to Friday. We also have a 24 hour answer-phone. The number is 01684-593633. If you would like to help us, please contact the office and we will be pleased to give you more information. You can also contact us by email on uptoncommunitycare@hotmail.com.

Registered charity no. 1024349

Can you Help us to help your Community?

We are Upton Community Care

We exist to provide transport to medical based appointments for the elderly and infirm who have no other way of travelling.

You would use your own car. We reimburse you for fuel.

You drive at times that suit you and there is no long term commitment

Please contact us for more information if you feel you may be able to help.
